

“CHATGPT WARM LIGHT PROMPTS BY SAJAWAL CREATES”

FOR GIRLS:

PROMPT:

Cinematic wide-angle golden hour portrait shot from a very low ground-level camera angle. A young woman with long straight black hair sits cross-legged in a blooming lavender and white daisy field, leaning back on one hand while the other hand gently tucks her hair behind her ear. She looks away from the camera with a relaxed, candle-soft smile, laughing slightly. She wears an oversized sage-green cable-knit cardigan over a white tee, high-waisted beige linen wide-leg trousers and a woven straw hat resting beside her. Warm glowing sunset backlight with soft rim light on her hair, hazy golden sky with scattered pink-orange clouds, tall wild grass and floating pollen particles in the air. Dreamy pastel color grade with purple, green and gold tones, subtle film grain, shallow depth of field, photorealistic skin texture, editorial composition, sharp focus, vertical 4:5.

Negative prompt: extra fingers, deformed hands, blurry face, text, logo, watermark, oversaturated skin, plastic skin, low quality

FOR BOYS:

PROMPT:

Cinematic wide-angle golden hour portrait shot from a very low ground-level camera angle. A young man with short messy dark brown hair lies on his back in a blooming lavender and white daisy field, one arm folded behind his head, one knee slightly bent, his head turned toward the camera with a relaxed, confident half-smile and a calm gaze into the lens. He wears an olive green denim jacket over a plain white tee, beige cargo trousers and clean white sneakers. Warm glowing sunset backlight with soft rim light on his hair and shoulders, hazy golden sky with scattered pink-orange clouds, tall wild grass and floating pollen particles in the air. Dreamy pastel color grade with purple, green and gold tones, subtle film grain, shallow depth of field, photorealistic skin texture, editorial composition, sharp focus, vertical 4:5.

Negative prompt: extra fingers, deformed hands, blurry face, text, logo, watermark, oversaturated skin, plastic skin, low quality
