

“CHATGPT CLASSIC CUT PROMPTS BY SAJAWAL CREATES”

FOR GIRLS:

PROMPT:

ULTRA-REALISTIC PREMIUM STUDIO WOMEN'S FASHION PORTRAIT | FULL BODY | STRICT FACE REFERENCE

STRICT FACE & IDENTITY REFERENCE:

Use the **attached reference image as the strict face and identity reference** for the female subject. Preserve the **exact same recognizable facial identity, facial structure, face shape, eyes, eyebrows, nose, lips, jawline, cheekbones, skin tone, hairstyle, hair color and apparent age** from the reference image. She must clearly look like the **same woman as the reference**. Do not redesign, beautify, de-age, age-up, or alter her facial features. **No face drift, no identity change, no facial morphing**. Keep the natural facial proportions and realistic skin texture of the reference.

Create an ultra-realistic full-body editorial fashion photograph of the **same woman from the attached face reference**, photographed against a clean seamless deep red studio background.

OUTFIT:

She wears a sophisticated **cream-beige tailored blazer with a structured feminine silhouette**, layered over a **sleek black high-neck fitted top**. Pair it with **high-waisted wide-leg black tailored trousers** with elegant natural draping and a premium fabric texture. Add **pointed-toe black leather heels**, delicate minimal gold earrings, and a refined slim gold wristwatch. The outfit should feel **luxurious, feminine, modern, sophisticated and effortlessly elegant**, like a high-end fashion campaign.

POSE & BODY LANGUAGE:

The subject is standing in an elegant **three-quarter fashion pose**, with her body angled slightly away from the camera. One hand gently rests on her waist while the other hand naturally holds the lower edge of her blazer. One leg is slightly crossed in front of the other, creating a graceful

fashion silhouette. Her shoulders remain relaxed, chin slightly raised, and she looks directly toward the camera with a subtle confident expression. Natural feminine posture, realistic body proportions, effortless editorial attitude.

CAMERA & COMPOSITION:

Full-body vertical composition, camera positioned slightly below eye level for a subtle powerful fashion perspective. 50mm professional fashion lens, natural perspective, entire body visible from head to shoes, generous controlled negative space around the subject, premium editorial composition.

LIGHTING:

Professional high-end studio lighting with a large soft key light from the front-left, gentle fill light from the opposite side, subtle rim light separating the subject from the red background, realistic soft shadows beneath the shoes, dimensional lighting across the face and clothing.

VISUAL QUALITY:

Photorealistic natural skin texture, visible pores, realistic hair strands, detailed fabric fibers, accurate clothing folds, premium tailoring, realistic leather shoes, physically accurate lighting and shadows, natural feminine body proportions, crisp facial details, subtle cinematic depth, luxury fashion campaign aesthetic, professional DSLR photography, high dynamic range, extremely detailed, clean sophisticated color grading.

BACKGROUND:

Seamless solid deep crimson-red studio backdrop, smooth floor-to-wall transition, minimal and distraction-free, no furniture, no props, no patterns.

RATIO:

4:5

NEGATIVE PROMPT:

different face, changed identity, face drift, facial morphing, altered facial structure, different eyes, different nose, different jawline, different hairstyle, beautified face, artificial face, plastic skin, over-smoothed skin, cartoon, illustration, CGI, 3D render, distorted anatomy, oversized head, unrealistic body proportions, exaggerated curves, extra fingers, deformed hands, extra limbs, warped clothing, floating feet, cropped shoes, blurry face, low resolution, harsh shadows, excessive contrast, revealing clothing, deep neckline, exposed midriff, text, logo, watermark, background objects

FOR BOYS:

PROMPT:

ULTRA-REALISTIC PREMIUM STUDIO FASHION PORTRAIT | FULL BODY | STRICT FACE REFERENCE

STRICT FACE & IDENTITY REFERENCE:

Use the **attached reference image as the strict face and identity reference** for the male subject. Preserve the **exact same recognizable facial identity, facial structure, face shape, eyes, eyebrows, nose, lips, jawline, cheekbones, beard/facial hair, skin tone, hairstyle and apparent age** from the reference image. The subject must clearly look like the **same person as the reference**. Do not redesign, beautify, masculinize, de-age, age-up, or alter his facial features. **No face drift, no identity change, no facial morphing**. Keep the natural facial proportions and realistic skin texture of the reference.

Create an ultra-realistic full-body editorial fashion photograph of the **same man from the attached face reference**, photographed against a clean seamless deep red studio background.

OUTFIT:

He wears a sophisticated **dark charcoal oversized wool overcoat** with a structured silhouette, layered over a **black fine-knit turtleneck sweater**. Pair it with **straight-cut light beige tailored trousers** with natural fabric draping and subtle pleats, finished with **premium off-white leather minimalist sneakers**. Add a sophisticated **silver wristwatch** and subtle thin-frame glasses. The outfit should feel expensive, modern, masculine, refined, and effortlessly stylish — high-end fashion editorial rather than casual streetwear.

POSE & BODY LANGUAGE:

The subject is standing in a **dynamic three-quarter pose**, body turned slightly toward the camera while his head is naturally turned toward the lens. One hand is casually adjusting the front edge of the overcoat near the chest, while the other hand rests naturally inside the trouser pocket. One leg is positioned slightly forward with the toe angled outward, creating a relaxed but confident fashion stance. Natural shoulders, realistic body proportions, relaxed facial expression, subtle confident attitude.

CAMERA & COMPOSITION:

Full-body vertical composition, camera positioned slightly below eye level for a subtle powerful fashion perspective. 50mm professional fashion lens, natural perspective, subject fully visible from head to shoes, generous controlled negative space around the body, premium editorial composition.

LIGHTING:

Professional high-end studio lighting with a large soft key light from the front-left, gentle fill light

from the opposite side, subtle rim light separating the dark coat from the red background, realistic soft shadows beneath the shoes, dimensional lighting across the face and clothing.

VISUAL QUALITY:

Photorealistic natural skin texture, visible pores, realistic hair and fabric fibers, accurate clothing folds, premium wool texture, realistic leather shoes, physically accurate lighting and shadows, natural body proportions, crisp facial details, subtle cinematic depth, luxury fashion campaign aesthetic, professional DSLR photography, high dynamic range, extremely detailed, clean color grading.

BACKGROUND:

Seamless solid deep crimson-red studio backdrop, smooth floor-to-wall transition, minimal and distraction-free, no furniture, no props, no patterns.
