

“CHATGPT FRESH LOOK PROMPTS BY SAJAWAL CREATES”

FOR GIRLS:

PROMPT:

****ULTRA-REALISTIC MONOCHROMATIC FASHION EDITORIAL | FULL-BODY STUDIO PORTRAIT | VERTICAL 4:5 | PREMIUM FASHION CAMPAIGN****

STRICT FACE & IDENTITY REFERENCE:

Use the uploaded reference image ****strictly as the facial identity reference for the female subject****. Recreate the same recognizable woman from the reference image with maximum identity consistency. Preserve her exact facial structure, face shape, forehead, hairline, eyebrows, eyes, nose, lips, jawline, cheekbones, ears, natural skin tone, apparent age, hairstyle, hair color, and overall facial characteristics.

The subject must clearly look like the ****same woman from the uploaded reference image****. Maintain natural facial asymmetry and realistic skin texture. Do not redesign, beautify, stylize, age, de-age, or modify her identity. ****No face drift, no identity change, no different person, no generic face.****

Use the reference image ****only for the woman's face and identity****. Do not copy the reference image's clothing, pose, background, lighting, camera composition, or environment. Adapt her face naturally into the target fashion scene described below.

****SUBJECT & POSE:****

A stylish young woman seated confidently in a deep cobalt-blue modern upholstered armchair in a minimalist monochromatic blue studio. She sits in a ****three-quarter seated fashion pose****, with her torso slightly angled toward one side while her face turns back toward the camera. One leg extends slightly forward with the foot firmly planted on the floor, while the other leg remains naturally bent closer to the chair. One arm rests casually along the armrest of the chair, while

the opposite hand rests naturally on her thigh. Her shoulders are relaxed, posture elegant and confident, creating a sophisticated high-fashion editorial presence.

Her head is turned toward the camera with a subtle confident expression and natural relaxed gaze. The pose should feel feminine, effortless, elegant, and editorial rather than stiff or overly posed.

****OUTFIT:****

She wears a coordinated ****cobalt-blue contemporary luxury fashion outfit****, consisting of a structured long-sleeve blue overshirt/jacket with a pointed collar, button closure and subtle tonal geometric line patterns throughout the fabric, paired with matching relaxed-fit cobalt-blue trousers featuring the same understated tonal graphic pattern.

The outfit should look like premium contemporary street-luxury fashion rather than a traditional formal business suit. The clothing must remain sophisticated, realistic, and appropriately fitted, with natural fabric thickness, stitching, folds, seams and realistic wrinkles.

She wears ****transparent rectangular clear-frame glasses****, clean white socks, and pristine chunky white low-top sneakers with realistic leather texture, laces, sole construction and subtle natural creasing.

****CHAIR & ENVIRONMENT:****

The subject sits in a large, deep cobalt-blue upholstered armchair with wide padded armrests, a thick cushioned seat and a simple contemporary silhouette. The chair has dark slender angled legs that remain subtly visible beneath the seat.

The entire studio follows a sophisticated ****monochromatic cobalt-blue color palette****, with controlled tonal differences between the clothing, chair, background and graphic element.

****BACKGROUND:****

Behind her is an oversized geometric ****capital letter "SC"***** rendered in a darker cobalt-blue tone. The giant "SC" extends broadly across the background and is partially obscured by the subject and chair, creating a premium luxury fashion campaign graphic element.

The background is a clean seamless blue studio backdrop with a smooth gradient transitioning from deeper blue around the upper background into lighter blue toward the lower floor area.

****LIGHTING:****

Professional high-end fashion studio lighting with a large soft key light illuminating the subject from the front, gentle fill light maintaining facial detail, and subtle directional light creating dimensional highlights across the blue clothing and chair.

Create soft realistic shadows beneath the chair and shoes. Maintain clean separation between the subject and background without harsh or artificial lighting. Preserve realistic skin tones while allowing the surrounding environment to remain strongly monochromatic blue.

****CAMERA & COMPOSITION:****

Straight-on camera position with a subtle three-quarter perspective created by the subject's body orientation. Eye-level fashion photography composition. Full-body framing from the top of the head to the bottom of both shoes, with the entire chair visible. Subject positioned centrally within the vertical frame.

Use a realistic ****85mm fashion photography lens look****, natural perspective, moderate depth of field, sharp facial details and clothing texture, realistic background falloff, premium commercial photography composition.

Vertical ****4:5 aspect ratio****. Balanced negative space around the subject while keeping the oversized "SC" clearly visible behind her.

****VISUAL QUALITY:****

Ultra-realistic professional fashion photography, luxury brand campaign aesthetic, contemporary editorial photography, photorealistic human proportions, natural skin pores and texture, realistic hair strands, realistic hands and fingers, authentic fabric texture, detailed stitching, natural clothing folds, realistic sneaker materials, physically accurate lighting, subtle cinematic depth, high dynamic range, crisp details, sharp focus, premium studio photography, sophisticated monochromatic color grading, realistic shadows, clean composition, extremely high detail.

****NEGATIVE PROMPT:****

different person, different face, generic face, face drift, identity change, altered facial structure, distorted facial features, beautified face, artificial face, plastic skin, waxy skin, excessive retouching, unrealistic skin, wrong hairstyle, wrong hairline, altered eyes, altered nose, altered lips, altered jawline, deformed face, asymmetrical distortion, extra people, multiple subjects,

duplicate person, masculine body, masculine clothing, overly revealing outfit, cropped body, cropped feet, missing shoes, extra limbs, extra fingers, missing fingers, fused fingers, malformed hands, distorted legs, distorted shoes, oversized head, tiny head, unnatural body proportions, floating body, broken chair, distorted chair, harsh shadows, overexposed face, underexposed face, blurry face, motion blur, low resolution, excessive sharpening, cartoon, illustration, 3D render, CGI look, plastic appearance, cluttered background, random text, random logos, watermark.

FOR BOYS:

PROMPT:

****ULTRA-REALISTIC MONOCHROMATIC FASHION EDITORIAL | FULL-BODY STUDIO PORTRAIT | VERTICAL 4:5 | PREMIUM FASHION CAMPAIGN****

****STRICT FACE & IDENTITY REFERENCE:****

Use the uploaded reference image ****strictly as the facial identity reference for the subject****. Recreate the same recognizable person from the reference image with maximum identity consistency. Preserve the exact facial structure, face shape, forehead, hairline, eyebrows, eyes, nose, lips, jawline, cheekbones, ears, natural skin tone, apparent age, hairstyle, and overall facial characteristics.

The subject must clearly look like the ****same person from the uploaded reference image****. Maintain natural facial asymmetry and realistic skin texture. Do not redesign, beautify, stylize, age, de-age, or modify the person's identity. ****No face drift, no identity change, no different person, no generic face.****

Use the reference image ****only for the person's face and identity****. Do not copy the reference image's clothing, pose, background, lighting, camera composition, or environment. Adapt the reference person's face naturally into the target fashion scene described below.

****SUBJECT & POSE:****

A stylish young man seated confidently in a deep cobalt-blue modern upholstered armchair in a minimalist monochromatic blue studio. He is positioned centrally in the chair with a relaxed yet powerful fashion-editorial posture. His legs are naturally spread apart, both feet firmly resting on the floor, with his knees slightly apart. Both hands rest naturally near the center of his lap, fingers relaxed and anatomically correct. His torso remains upright but relaxed, shoulders naturally lowered, creating a calm, confident and composed presence.

His head is facing toward the camera with a subtle natural upward orientation. His facial expression is calm, serious and confident, with a natural relaxed gaze toward the camera.

****OUTFIT:****

He wears a coordinated ****cobalt-blue contemporary two-piece fashion outfit****, consisting of a structured long-sleeve blue overshirt/jacket with a pointed collar, button closure and subtle tonal geometric line patterns throughout the fabric, paired with matching relaxed-fit cobalt-blue trousers featuring the same understated tonal graphic pattern.

The outfit should look like premium contemporary street-luxury fashion rather than a traditional formal business suit. The fabric should have realistic thickness, stitching, folds, seams and natural wrinkles.

He wears ****transparent rectangular clear-frame glasses****, clean white crew socks, and pristine chunky white low-top sneakers with realistic leather texture, laces, sole construction and subtle natural creasing.

****CHAIR & ENVIRONMENT:****

The subject sits in a large, deep cobalt-blue upholstered armchair with wide padded armrests, a thick cushioned seat and a simple contemporary silhouette. The chair has dark slender angled legs that remain subtly visible beneath the seat.

The entire studio follows a sophisticated ****monochromatic cobalt-blue color palette****, with controlled tonal differences between the clothing, chair, background and graphic element.

****BACKGROUND:****

Behind the subject is an oversized geometric ****capital letter "SC"**** rendered in a darker cobalt-blue tone. The giant letter extends vertically across the background and is partially obscured by the subject and chair. It should feel like a large-scale luxury fashion campaign graphic element integrated into the studio environment.

The background is a clean seamless blue studio backdrop with a smooth gradient transitioning from deeper blue around the upper background into lighter blue toward the lower floor area.

****LIGHTING:****

Professional high-end fashion studio lighting with a large soft key light illuminating the subject from the front, gentle fill light maintaining facial detail, and subtle directional light creating dimensional highlights across the blue clothing and chair.

Create soft realistic shadows beneath the chair and shoes. Maintain clean separation between the subject and the background without harsh or artificial lighting. Preserve realistic skin tones while allowing the surrounding environment to remain strongly monochromatic blue.

****CAMERA & COMPOSITION:****

Straight-on frontal camera angle at approximately eye level, professional fashion photography composition. Full-body framing from the top of the head to the bottom of both shoes, with the entire chair visible. Subject positioned centrally within the vertical frame.

Use a realistic ****85mm fashion photography lens look****, natural perspective, moderate depth of field, sharp facial details and clothing texture, realistic background falloff, premium commercial photography composition.

Vertical ****4:5 aspect ratio****. Balanced negative space around the subject while keeping the oversized "SC" clearly visible behind him.

****VISUAL QUALITY:****

Ultra-realistic professional fashion photography, luxury brand campaign aesthetic, contemporary editorial photography, photorealistic human proportions, natural skin pores and texture, realistic hair strands, realistic hands and fingers, authentic fabric texture, detailed stitching, natural clothing folds, realistic sneaker materials, physically accurate lighting, subtle cinematic depth, high dynamic range, crisp details, sharp focus, premium studio photography, sophisticated monochromatic color grading, realistic shadows, clean composition, extremely high detail.

****NEGATIVE PROMPT:****
