

“CHATGPT SUNSET GLOW PROMPTS BY SAJAWAL CREATES”

Prompt 1:

Use the attached reference image as the exact face reference. Same person, identical face, same facial features, same skin tone — face must match the reference exactly, no alterations — cinematic portrait beside same textured wall, golden hour light, same atmosphere and lighting as reference. One hand flat on wall, head tilted down, calm contemplative look, eyes down. Same curly messy hair, same oversized black t-shirt. Same warm rectangular light patterns and deep shadows on wall and face. Sharp shadow silhouette on wall. Same warm amber-orange tones, same color grading. Ultra-realistic detailed skin, no smoothing. Shallow depth of field, sharp focus, soft bokeh. Photorealistic, 8K, natural film grain, real unedited photo look. --ar 4:5 --v 6

Prompt 2:

Same person, identical face, same skin tone and body Ultra-realistic cinematic portrait of me beside a textured wall at golden hour, same pose and framing as reference image, body slightly turned, face looking away with calm moody expression. Messy curly hair with natural texture catching light, oversized black t-shirt with realistic fabric folds. Strong warm sunlight casting dramatic rectangular light patterns and deep shadows on wall and face, sharp shadow silhouette on wall. Moody high-contrast lighting, warm amber-gold tones blending into charcoal shadows. Hyper-realistic skin texture, visible pores, natural tone, no smoothing or plastic look. Editorial style, shallow depth of field, sharp focus on face and body, soft bokeh background. Natural wall texture with imperfections. Realistic 50mm lens, iPhone Pro camera quality, cinematic color grading, accurate shadow direction. Photorealistic, 8K, natural film grain, unedited real photo look.

Prompt 3:

Same person, identical face, same skin tone and body — cinematic portrait sitting on ground against same wall, golden hour light, same atmosphere and lighting as reference. Knees drawn up, arms relaxed, head back, eyes closed or looking up, reflective mood. Same curly hair, same black t-shirt. Same rectangular light patterns across legs, torso, face, deep pooled shadows.

Sharp shadow on wall and ground. Same warm amber-orange tones, same color grading. Ultra-realistic detailed skin. Shallow depth of field, sharp focus, soft bokeh. Photorealistic, 8K, natural film grain, real unedited photo look. --ar 4:5 --v 6 --style raw.

Prompt 4:

Same person, identical face, same skin tone and body — cinematic portrait walking away from same wall, golden hour light, same atmosphere and lighting as reference. Mid-motion, head turned back over shoulder, calm mysterious look. Same curly hair with natural movement, same black t-shirt with fabric motion. Same rectangular light patterns and deep shadows across wall and body. Sharp elongated shadow on wall. Same warm amber-orange tones, same color grading. Ultra-realistic detailed skin.

Shallow depth of field, sharp face focus, subtle background motion blur. Photorealistic, 8K, natural film grain, real unedited photo look. --ar 4:5 --v 6 --style raw
