

“CHATGPT GREEN & ROSE PROMPTS BY SAJAWAL CREATES”

Prompt No. 1: (Main Prompt)

(Use the face from the reference image exactly — match this person's real facial features, structure, and identity while generating the image with the style, lighting, and composition described below.

Ultra-realistic cinematic portrait photograph of a young man (Use the face from the reference image exactly — match this person's real facial features, structure, and identity while generating the image with the style, lighting, and composition described below.

SUBJECT: Sharp jawline, curly dark hair with natural texture and slight shine, confident and bold expression with a subtle intense gaze, standing at a side angle (3/4 profile) with a cool, self-assured pose — shoulders relaxed, chin slightly tilted, body language showing quiet confidence and attitude.

WARDROBE: Oversized dark green button-up shirt, top two buttons undone showing collarbone, fabric slightly wrinkled and flowing for a natural stylish look. White baggy pants with soft draping folds. Analog wristwatch on the left wrist, subtle metallic detail visible.

BACKGROUND: Plain textured grey wall (concrete-like matte finish) as backdrop. Lush green foliage and red rose flowers draping from the top of the frame, creating a natural frame around the subject — leaves and petals slightly out of focus to keep depth.

LIGHTING: Bright directional key light from one side, creating soft shadows across the face to highlight jawline and cheekbones, subtle rim light separating subject from background, warm-cool contrast between skin tone and green tones.

CAMERA & STYLE: Shot on 85mm lens, shallow depth of field (f/1.8), cinematic color grading with deep dark greens and muted tones, subtle film grain, high dynamic range, sharp focus on face and eyes, background softly blurred (bokeh).

MOOD: Editorial fashion photography, moody and dramatic, confident street-style energy, hyper-realistic skin texture (visible pores, natural imperfections, no plastic/AI-smooth look).

Prompt No. 2:

Use the exact same face as in the reference image — same eyes shape and color, same eyebrows, same nose structure, same lips, same jawline, same skin tone and texture, same facial proportions. Do not alter or generate a new face. Keep facial identity 100% consistent and unchanged across all angles and poses. Only change pose, body position, and camera angle — facial features must remain identical to reference.

Also Same wardrobe, background, lighting. Both hands gripping the open front of shirt collar, pulling it slightly, shoulders squared to camera, chin up, fierce confident expression.

Prompt No. 3:

Use the exact same face as in the reference image — same eyes shape and color, same eyebrows, same nose structure, same lips, same jawline, same skin tone and texture, same facial proportions. Do not alter or generate a new face. Keep facial identity 100% consistent and unchanged across all angles and poses. Only change pose, body position, and camera angle — facial features must remain identical to reference.

Also Same wardrobe, background, lighting. Sitting on a concrete ledge or step, elbows resting on knees, hands loosely clasped, looking up at camera from below, relaxed dominance.

Prompt No. 4:

Use the exact same face as in the reference image — same eyes shape and color, same eyebrows, same nose structure, same lips, same jawline, same skin tone and texture, same facial proportions. Do not alter or generate a new face. Keep facial identity 100% consistent and unchanged across all angles and poses.

Also Same wardrobe, background, lighting. Standing close to grey wall, one arm extended forward pressing against wall, body angled diagonally, head turned toward camera, intense focused gaze.

Prompt No. 5:

Hand Through Hair:

Use the exact same face as in the reference image — same eyes shape and color, same eyebrows, same nose structure, same lips, same jawline, same skin tone and texture, same facial proportions. Do not alter or generate a new face. Keep facial identity 100% consistent and unchanged across all angles and poses.

Also Same wardrobe, background, lighting as reference image. One hand running through hair, head tilted slightly, soft smile fading into serious look, close-mid shot, three-quarter angle.
