

“CHATGPT ANIMAL LOVE PROMPTS BY SAJAWAL CREATES”

FOR GIRLS:

PROMPT NO: 01

Reference image attached. Preserve the exact facial identity, facial structure, hairstyle, skin tone, facial proportions, body proportions, expression, and overall likeness exactly.

Create a stunning ultra-realistic portrait of the same young woman standing beside a large studio window with one shoulder gently leaning against the wall. One hand is inside her pocket while the other lovingly holds a tiny flower. She smiles softly while looking outside the window.

A fluffy white Holland Lop rabbit with long droopy ears and bright curious eyes is sitting on the window ledge beside her shoulder, slightly leaning toward her face with an adorable expression.

Outfit: Elegant dusty pink oversized sweater, white pleated midi skirt, beige ankle boots, pearl earrings, minimal luxury accessories.

Background: Warm blush pink studio backdrop with soft beige gradient and elegant minimalist styling.

Lighting: Natural window light mixed with soft studio lighting, beautiful catchlights, gentle shadows, premium fashion look.

Camera: Sony A7R V, 85mm GM Lens, f/1.8, ISO 100, shallow DOF, HDR, 8K Ultra HD.

Style: Magazine cover quality, cinematic portrait, luxury fashion editorial, ultra detailed, masterpiece, natural color grading.

Negative Prompt: low quality, CGI, illustration, cartoon, Pixar, blur, duplicate rabbit, artifacts, watermark, logo.

PROMPT NO: 02

Reference image attached. Preserve the exact facial identity, facial structure, hairstyle, skin tone, facial proportions, body proportions, expression, and overall likeness of the person from the reference image. Do not alter the face in any way. Keep the identity 100% recognizable.

Create a hyper-realistic luxury fashion portrait of the same young woman sitting gracefully on a wooden stool with one leg crossed naturally. She gently holds the edge of the stool with one

hand while the other hand softly touches her hair. She looks directly into the camera with a gentle smile and sparkling eyes.

Instead of a fox, place an adorable fluffy Ragdoll kitten with silky white and gray fur, deep blue eyes, and an innocent expression sitting comfortably on her lap while gently looking toward the camera. The kitten's tail wraps softly around her arm, creating a heartwarming connection.

Outfit: Oversized sage green knitted cardigan over a white ribbed top, cream wide-leg trousers, white sneakers, delicate gold necklace, simple rings, and soft natural makeup.

Background: Soft pastel mint-green seamless studio backdrop with subtle cream gradients and minimal shadows.

Lighting: Large diffused softbox, warm fill light, soft rim light, cinematic editorial lighting, natural skin highlights.

Camera: Canon EOS R5, RF 85mm f/1.2L, f/1.8, ISO 100, 1/200 sec, eye-level composition, shallow depth of field, 8K HDR.

Style: Luxury editorial photography, Vogue-inspired, ultra photorealistic, crystal-clear details, masterpiece, premium textures, DSLR quality.

Negative Prompt: cartoon, CGI, Pixar, Disney, illustration, blurry, noisy, watermark, logo, text, bad anatomy, extra limbs, duplicate animal.

PROMPT NO: 03

Reference image attached. Preserve the exact facial identity, facial structure, hairstyle, skin tone, facial proportions, body proportions, expression, and overall likeness of the person from the reference image. Do not alter or reinterpret the face in any way. Keep the identity 100% recognizable.

Create a hyper-realistic, ultra-detailed luxury studio portrait of the same young woman in a completely new pose while maintaining a soft, elegant, premium aesthetic.

The young woman is sitting gracefully on a modern cream-colored velvet chair with one leg crossed over the other. One hand rests gently on her lap while the other lightly touches her chin. She is looking slightly away from the camera with a calm, confident, and warm smile, creating a natural editorial fashion look.

Instead of a fennec fox, place a beautiful fluffy white Samoyed puppy beside her, sitting comfortably on the floor with one paw gently resting on her leg while looking up at her with bright, affectionate eyes. The puppy should appear naturally connected to her with realistic contact shadows, detailed fluffy fur, and lifelike anatomy.

Outfit: An elegant cream oversized knit turtleneck sweater paired with a soft beige pleated midi skirt, white leather ankle boots, delicate gold earrings, a thin gold bracelet, and minimal natural

makeup. The clothing should feature premium fabric textures, realistic folds, soft wool details, and luxury fashion styling.

Background: A warm pastel peach and beige seamless studio backdrop with subtle cream gradients and soft matte texture. The background should feel bright, clean, elegant, minimal, and luxurious while complementing the outfit and creating a cozy aesthetic.

Lighting: Soft diffused studio lighting using a large octagonal softbox as the key light, subtle rim lighting from behind, gentle fill lighting, realistic skin highlights, soft shadows, premium fashion editorial lighting, cinematic depth, and natural color balance.

Camera Settings: Canon EOS R5, RF 85mm f/1.2L Lens, f/1.8 Aperture, ISO 100, 1/200 sec, Eye-level angle, Vertical portrait composition, Shallow depth of field, Sharp focus on both the woman and the puppy, Soft creamy background blur, 8K Ultra HD

Skin & Details: Ultra-realistic skin texture with visible pores, realistic eyelashes, natural eyebrows, detailed lips, beautiful catchlights in the eyes, individually rendered hair strands, photorealistic hands, luxury clothing textures, extremely detailed puppy fur, physically accurate lighting, HDR rendering, global illumination, ambient occlusion, and cinematic color grading.

Style: Luxury fashion editorial photography, Vogue-inspired portrait, magazine cover quality, ultra-realistic, photorealistic, DSLR photography, premium portrait, masterpiece, best quality, cinematic, natural warm tones, crystal-clear details, HDR, 8K UHD, extremely sharp focus, award-winning photography.

Negative Prompt: cartoon, Pixar, Disney, CGI, 3D render, illustration, anime, doll, plastic skin, wax skin, blurry, low quality, low resolution, noise, oversaturated, bad anatomy, extra limbs, duplicate person, duplicate animal, cropped face, bad hands, bad eyes, watermark, logo, text, artifacts.

FOR BOYS:

PROMPT NO: 01

Reference image attached. Preserve the exact facial identity, hairstyle, skin tone, facial proportions, body proportions, and overall likeness exactly as the reference image.

Create a hyper-realistic editorial portrait of the same young man standing casually with both hands inside his pockets while slightly leaning against a modern studio wall. His head is tilted slightly downward with a calm, charming smile and relaxed posture.

A tiny adorable baby koala with ultra-soft gray fur, fluffy ears, and sleepy innocent eyes is comfortably hugging his upper arm while looking toward the camera. The koala should appear naturally attached with realistic fur interaction and contact shadows.

Outfit: Luxury cream cable-knit sweater layered under a light olive bomber jacket with charcoal tailored trousers and premium leather sneakers.

Background: Deep olive-green seamless studio backdrop with warm beige gradient and soft matte finish.

Lighting: Professional fashion studio lighting using a large octabox, warm key light, subtle rim light, cinematic shadows, realistic skin highlights.

Camera: Nikon Z9, 85mm f/1.2, ISO100, f/1.8, vertical composition, shallow depth of field, HDR, 8K Ultra HD.

Style: Luxury editorial portrait, GQ-inspired fashion photography, ultra photorealistic, award-winning, masterpiece, DSLR quality, highly detailed textures.

Negative Prompt: cartoon, CGI, Disney, Pixar, anime, blurry, noisy, low quality, duplicate animal, watermark, logo, text, bad anatomy.

PROMPT NO: 02

Reference image attached. Preserve the exact facial identity, hairstyle, skin tone, body proportions, facial expression, and overall likeness perfectly.

Create a luxury studio portrait of the same young man sitting casually on a modern wooden cube with one elbow resting on his knee while his other hand adjusts his watch. He has a confident yet relaxed smile and looks directly into the camera.

A realistic baby red panda with fluffy orange fur, tiny paws, expressive eyes, and a playful smile is sitting comfortably behind his shoulder with its fluffy tail gently wrapping around his back.

Outfit: Premium camel overshirt over a white fitted t-shirt, black tailored trousers, clean white sneakers, luxury wristwatch.

Background: Warm terracotta and soft sand-colored seamless studio backdrop with premium editorial styling.

Lighting: Soft cinematic studio lighting with subtle rim light and realistic contact shadows.

Camera: Canon EOS R3, 85mm Lens, f/1.8, ISO100, HDR, shallow depth of field, 8K resolution.

Style: Luxury men's fashion campaign, ultra realistic, magazine quality, crystal-clear details, premium portrait photography.

Negative Prompt:cartoon, Pixar, anime, low quality, blurry, duplicate animal, watermark, logo, artifacts.

PROMPT NO: 03

Reference image attached. Preserve the exact facial identity, facial structure, hairstyle, skin tone, facial proportions, body proportions, expression, and overall likeness of the person from the reference image. Do not alter or reinterpret the face in any way. Keep the identity 100% recognizable.

Create a hyper-realistic luxury editorial portrait of the same young man sitting casually on the hood of a modern matte-black vintage SUV inside a premium minimalist studio. One leg is hanging naturally while the other is bent on the hood. One hand rests casually on his knee while the other gently pets a small animal. He has a confident smile with relaxed eyes, creating a stylish yet approachable fashion campaign look.

Instead of a fox, place an adorable fluffy baby raccoon sitting beside him on the car hood. The raccoon has soft silver-gray fur, tiny black paws, expressive glossy eyes, a curious playful smile, and a beautifully striped fluffy tail. It is looking toward the camera while one tiny paw rests gently on the young man's arm. The interaction should feel natural, affectionate, and realistic with accurate contact shadows and lifelike fur.

Outfit:Premium oversized off-white hoodie layered under a camel suede bomber jacket, relaxed-fit charcoal cargo pants, luxury white leather sneakers, silver chain necklace, elegant wristwatch, and minimal accessories. The clothing should feature realistic fabric textures, natural folds, premium stitching, and luxury fashion styling.

Background:A deep matte navy-blue seamless studio backdrop with subtle warm amber lighting gradients creating a rich luxury atmosphere. Clean, minimal, modern, and distraction-free with premium editorial styling.

Lighting:Professional studio lighting using a large octabox as the main light, warm rim lighting from behind, soft fill lighting, realistic skin reflections, premium cinematic contrast, beautiful eye catchlights, and soft natural shadows.

Camera Settings:Sony A1, 85mm GM Lens, f/1.8, ISO 100, 1/200 sec, Eye-level angle, Vertical portrait, Shallow depth of field, Sharp focus on both the subject and the raccoon, Soft creamy background bokeh, 8K Ultra HD

Skin & Details:Ultra-realistic skin texture with visible pores, realistic facial hair, naturally detailed lips, individually rendered hair strands, photorealistic hands, premium clothing textures, extremely detailed raccoon fur, HDR rendering, physically accurate lighting, global illumination, ambient occlusion, cinematic color grading, crystal-clear textures.

Style:Luxury men's fashion editorial, GQ-inspired photography, ultra photorealistic, magazine cover quality, masterpiece, award-winning photography, premium portrait, DSLR realism, HDR, 8K UHD, crystal-clear focus, cinematic warm tones, luxury aesthetic, highly detailed.

Negative Prompt:cartoon, Pixar, Disney, CGI, 3D render, illustration, anime, doll, plastic skin, wax skin, blurry, low quality, low resolution, noisy, oversaturated, unrealistic proportions, deformed face, bad anatomy, extra limbs, duplicate animal, cropped face, bad hands, bad eyes, watermark, logo, text, artifacts.
