

“CHATGPT LITTLE BUDDY PROMPTS BY SAJAWAL CREATES”

FOR BOYS:

PROMPT NO: 01

Deep Plum/Burgundy Theme

"Reference photo attached — use the exact same face, identical facial features, skin tone, hairstyle, body proportions, and complete identity preserved exactly as shown, no alterations to face or structure whatsoever. Single unified photograph, one complete scene only, not a diptych, not a split image, not a comparison grid, not multiple panels — one seamless composition with both the man and the plush creature together in the same frame from the start.

Ultra-realistic editorial photograph of a young man with a warm genuine smile, natural relaxed happy expression, eyes crinkled with authentic joy, riding a sleek matte black vintage-style bicycle, one foot on the pedal, hands relaxed on the handlebars.

He wears a fuzzy deep-plum knit sweater with realistic wool fiber texture and a small embroidered "noo" patch on the chest, loose warm-taupe patterned cargo trousers with realistic fabric texture, white leather sneakers, a small dark-brown leather crossbody bag with authentic stitching and natural material sheen.

Sitting in the bicycle's front basket is a realistic, fluffy, plush creature companion in a soft dusty-rose tone — small round soft body with dense fur rendered strand by strand, large round adorable eyes with realistic glossy catchlights, tiny rounded ears, a small content closed-mouth smile, paws resting on the edge of the basket as if peeking out curiously, believable plush weight and volume nestled comfortably inside.

Background: deep, rich plum-burgundy studio backdrop with a subtle moody gradient, seamlessly extending down into a light wooden floor for contrast, clean, attractive, and dramatic without being distracting.

Lighting: soft professional studio lighting with slightly more contrast to complement the darker backdrop, gentle directional highlights, natural shadow falloff, physically accurate light behavior across skin, fabric, bicycle metal and rubber, and plush fur.

Ultra-photorealistic skin texture with visible pores, natural tonal variation, light natural stubble, no smoothing, no plastic or waxy look, identity fully unchanged. Realistic fabric fuzz on the sweater, natural leather texture on the bag and sneakers, authentic bicycle material with realistic metal and rubber texture, crisp fur detail on the creature. Ultra-detailed textures throughout, cinematic depth of field, rich true-to-life colors, highly polished professional photography finish, hyperrealistic, photorealistic, RAW photo quality, 8K ultra-high resolution, no CGI artifacts, no 3D animated rendering, no cartoon style, no illustration, looks like a genuinely captured professional editorial photograph."

Negative Prompt: "orange scooter, electric scooter, teal sweater, exaggerated open mouth, wide gaping mouth, shocked expression, diptych, split image, multiple panels, comparison grid, collage, 3D animated look, Pixar style, CGI render, cartoon rendering, toy-like plastic appearance, different face, altered facial features, different identity, feminine facial features, blurry face, distorted face, bad anatomy, deformed hands, extra fingers, unrealistic fur texture, flat fur, plastic skin, wax skin, over-smoothed skin, light washed-out background, oversaturated, oversharpened, low resolution, fake AI look, watermark, text, logo, unnatural symmetry"

PROMPT NO: 02

Deep Charcoal-Blue Theme:

"Reference photo attached — use the exact same face, identical facial features, skin tone, hairstyle, body proportions, and complete identity preserved exactly as shown, no alterations to face or structure whatsoever. Single unified photograph, one complete scene only, not a diptych, not a split image, not a comparison grid, not multiple panels — one seamless composition with both the man and the plush creature together in the same frame from the start.

Ultra-realistic editorial photograph of a young man with a calm, confident half-smile, natural relaxed expression, gentle direct gaze toward the camera, standing beside a classic wooden skateboard propped against his leg, one hand resting casually on his hip.

He wears a fuzzy slate-blue knit sweater with realistic wool fiber texture and a small embroidered "noo" patch on the chest, loose charcoal-grey patterned cargo trousers with realistic fabric texture, white leather sneakers, a small black leather crossbody bag with authentic stitching and natural material sheen.

Perched on his shoulder is a realistic, fluffy, plush creature companion in a soft powder-blue tone — small round soft body with dense fur rendered strand by strand, large round adorable eyes with realistic glossy catchlights, tiny rounded ears, a small content closed-mouth smile,

one tiny paw gently resting near his neck for balance, believable plush weight and volume, natural playful positioning.

Background: deep, rich charcoal-blue studio backdrop with a subtle moody gradient, seamlessly extending down into a light wooden floor for contrast, clean, attractive, and dramatic without being distracting.

Lighting: soft professional studio lighting with slightly more contrast to complement the darker backdrop, gentle directional highlights, natural shadow falloff, physically accurate light behavior across skin, fabric, wooden skateboard, and plush fur.

Ultra-photorealistic skin texture with visible pores, natural tonal variation, light natural stubble, no smoothing, no plastic or waxy look, identity fully unchanged. Realistic fabric fuzz on the sweater, natural leather texture on the bag and sneakers, authentic skateboard wood grain and wheel detail, crisp fur detail on the creature. Ultra-detailed textures throughout, cinematic depth of field, rich true-to-life colors, highly polished professional photography finish, hyperrealistic, photorealistic, RAW photo quality, 8K ultra-high resolution, no CGI artifacts, no 3D animated rendering, no cartoon style, no illustration, looks like a genuinely captured professional editorial photograph."

Negative Prompt: "orange scooter, electric scooter, teal sweater, exaggerated open mouth, wide gaping mouth, shocked expression, diptych, split image, multiple panels, comparison grid, collage, 3D animated look, Pixar style, CGI render, cartoon rendering, toy-like plastic appearance, different face, altered facial features, different identity, feminine facial features, blurry face, distorted face, bad anatomy, deformed hands, extra fingers, unrealistic fur texture, flat fur, plastic skin, wax skin, over-smoothed skin, light washed-out background, oversaturated, oversharpener, low resolution, fake AI look, watermark, text, logo, unnatural symmetry"

PROMPT NO: 03

Deep Mustard-Gold Theme:

"Reference photo attached — use the exact same face, identical facial features, skin tone, hairstyle, body proportions, and complete identity preserved exactly as shown, no alterations to face or structure whatsoever. Single unified photograph, one complete scene only, not a diptych, not a split image, not a comparison grid, not multiple panels — one seamless composition with both the man and the plush creature together in the same frame from the start.

Ultra-realistic editorial photograph of a young man with a warm confident smile, natural relaxed expression, crouching down on one knee, both arms gently cradling the plush creature in front of him at chest height, natural affectionate posture, direct engaging gaze toward the camera.

He wears a fuzzy deep-mustard knit sweater with realistic wool fiber texture and a small embroidered "noo" patch on the chest, loose olive-grey patterned cargo trousers with realistic fabric texture, white leather sneakers, a small dark-tan leather crossbody bag with authentic stitching and natural material sheen.

Cradled in his arms is a realistic, fluffy, plush creature companion in a soft caramel-tan tone — small round soft body with dense fur rendered strand by strand, large round adorable eyes with realistic glossy catchlights, tiny rounded ears, a small content closed-mouth smile, paws resting gently against his forearm, believable plush weight and volume, natural cozy positioning.

Background: deep, rich mustard-gold studio backdrop with a subtle moody gradient, seamlessly extending down into a light wooden floor for contrast, clean, attractive, and dramatic without being distracting.

Lighting: soft professional studio lighting with slightly more contrast to complement the darker backdrop, gentle directional highlights, natural shadow falloff, physically accurate light behavior across skin, fabric, and plush fur.

Ultra-photorealistic skin texture with visible pores, natural tonal variation, light natural stubble, no smoothing, no plastic or waxy look, identity fully unchanged. Realistic fabric fuzz on the sweater, natural leather texture on the bag and sneakers, crisp fur detail on the creature. Ultra-detailed textures throughout, cinematic depth of field, rich true-to-life colors, highly polished professional photography finish, hyperrealistic, photorealistic, RAW photo quality, 8K ultra-high resolution, no CGI artifacts, no 3D animated rendering, no cartoon style, no illustration, looks like a genuinely captured professional editorial photograph."

Negative Prompt:

"chair, furniture, orange scooter, electric scooter, teal sweater, exaggerated open mouth, wide gaping mouth, shocked expression, diptych, split image, multiple panels, comparison grid, collage, 3D animated look, Pixar style, CGI render, cartoon rendering, toy-like plastic appearance, different face, altered facial features, different identity, feminine facial features, blurry face, distorted face, bad anatomy, deformed hands, extra fingers, unrealistic fur texture, flat fur, plastic skin, wax skin, over-smoothed skin, light washed-out background, oversaturated, oversharpened, low resolution, fake AI look, watermark, text, logo, unnatural symmetry"

FOR GIRLS:

PROMPT NO: 01

Deep Forest Green Theme

"Reference photo attached — use the exact same face, identical facial features, skin tone, hairstyle, body proportions, and complete identity preserved exactly as shown, no alterations to face or structure whatsoever. Single unified photograph, one complete scene only, not a diptych, not a split image, not a comparison grid, not multiple panels — one seamless composition with both the woman and the plush creature together in the same frame from the start.

Ultra-realistic editorial photograph of a young woman with a calm, confident half-smile, natural relaxed expression, gentle direct gaze toward the camera, standing beside a vintage wooden-crate cart with small wheels, one hand resting casually on the crate's edge.

She wears a fuzzy deep-forest-green knit sweater with realistic wool fiber texture and a small embroidered "noo" patch on the chest, loose ivory-cream patterned wide-leg trousers with realistic fabric texture, white leather sneakers, a small cognac-brown leather crossbody bag with authentic stitching and natural material sheen.

Sitting inside the small wooden cart beside her is a realistic, fluffy, plush creature companion in a soft ivory-white tone — small round soft body with dense fur rendered strand by strand, large round adorable eyes with realistic glossy catchlights, tiny rounded ears, a small content closed-mouth smile, paws resting on the edge of the cart as if peeking out curiously, believable plush weight and volume.

Background: deep, rich forest-green studio backdrop with a subtle moody gradient, seamlessly extending down into a light wooden floor for contrast, clean, attractive, and dramatic without being distracting.

Lighting: soft professional studio lighting with slightly more contrast to complement the darker backdrop, gentle directional highlights, natural shadow falloff, physically accurate light behavior across skin, fabric, wooden cart, and plush fur.

Ultra-photorealistic skin texture with visible pores, natural tonal variation, no smoothing, no plastic or waxy look, identity fully unchanged. Realistic fabric fuzz on the sweater, natural leather texture on the bag and sneakers, authentic wood grain and wheel detail on the cart, crisp fur detail on the creature. Ultra-detailed textures throughout, cinematic depth of field, rich true-to-life colors, highly

polished professional photography finish, hyperrealistic, photorealistic, RAW photo quality, 8K ultra-high resolution, no CGI artifacts, no 3D animated rendering, no cartoon style, no illustration, looks like a genuinely captured professional editorial photograph."

Negative Prompt: "orange scooter, electric scooter, teal sweater, exaggerated open mouth, wide gaping mouth, shocked expression, diptych, split image, multiple panels, comparison grid, collage, 3D animated look, Pixar style, CGI render, cartoon rendering, toy-like plastic appearance, different face, altered facial features, different identity, blurry face, distorted face, bad anatomy, deformed hands, extra fingers, unrealistic fur texture, flat fur, plastic skin, wax skin, over-smoothed skin, light washed-out background, oversaturated, oversharpended, low resolution, fake AI look, watermark, text, logo, unnatural symmetry"

PROMPT NO: 02

Warm Mauve/Dusty Pink Theme

"Reference photo attached — use the exact same face, identical facial features, skin tone, hairstyle, body proportions, and complete identity preserved exactly as shown, no alterations to face or structure whatsoever. Single unified photograph, one complete scene only, not a diptych, not a split image, not a comparison grid, not multiple panels — one seamless composition with both the woman and the plush creature together in the same frame from the start.

Ultra-realistic editorial photograph of a young woman with a soft genuine smile, natural relaxed content expression, standing gracefully with one hand resting on the back of a vintage wooden ladder-back chair, weight shifted naturally onto one leg, shoulders relaxed, chin slightly tilted, direct warm gaze toward the camera.

She wears a fuzzy dusty-mauve knit sweater with realistic wool fiber texture and a small embroidered "noo" patch on the chest, loose sand-beige patterned wide-leg trousers with realistic fabric texture, white leather sneakers, a small caramel-brown leather crossbody bag with authentic stitching and natural material sheen.

Sitting on the seat of the chair beside her is a realistic, fluffy, plush creature companion in a soft lilac-lavender tone — small round soft body with dense fur rendered strand by strand, large round adorable eyes with realistic glossy catchlights, tiny rounded ears, a small content

closed-mouth smile, one paw resting on the chair's edge as if peeking curiously, believable plush weight and volume.

Background: deep, rich mauve-plum studio backdrop with a subtle moody gradient, seamlessly extending down into a light wooden floor for contrast, clean, attractive, and dramatic without being distracting.

Lighting: soft professional studio lighting with slightly more contrast to complement the darker backdrop, gentle directional highlights, natural shadow falloff, physically accurate light behavior across skin, fabric, wooden chair, and plush fur.

Ultra-photorealistic skin texture with visible pores, natural tonal variation, no smoothing, no plastic or waxy look, identity fully unchanged. Realistic fabric fuzz on the sweater, natural leather texture on the bag and sneakers, authentic wood grain on the chair, crisp fur detail on the creature. Ultra-detailed textures throughout, cinematic depth of field, rich true-to-life colors, highly polished professional photography finish, hyperrealistic, photorealistic, RAW photo quality, 8K ultra-high resolution, no CGI artifacts, no 3D animated rendering, no cartoon style, no illustration, looks like a genuinely captured professional editorial photograph."

Negative Prompt:

"orange scooter, electric scooter, teal sweater, exaggerated open mouth, wide gaping mouth, shocked expression, diptych, split image, multiple panels, comparison grid, collage, 3D animated look, Pixar style, CGI render, cartoon rendering, toy-like plastic appearance, different face, altered facial features, different identity, blurry face, distorted face, bad anatomy, deformed hands, extra fingers, unrealistic fur texture, flat fur, plastic skin, wax skin, over-smoothed skin, light washed-out background, oversaturated, oversharpened, low resolution, fake AI look, watermark, text, logo, unnatural symmetry"

PROMPT NO: 03

Warm Terracotta Theme

"Reference photo attached — use the exact same face, identical facial features, skin tone, hairstyle, body proportions, and complete identity preserved exactly as shown, no alterations to face or structure whatsoever. Single unified photograph, one complete scene only, not a diptych, not a split image, not a comparison grid, not multiple panels — one seamless composition with both the woman and the plush creature together in the same frame from the start.

Ultra-realistic editorial photograph of a young woman with a warm genuine smile, natural relaxed happy expression, eyes crinkled with authentic joy, sitting casually on a vintage cream-colored moped, one foot on the ground for balance, hands resting lightly on the handlebars.

She wears a fuzzy terracotta-orange knit sweater with realistic wool fiber texture and a small embroidered "noo" patch on the chest, loose cream-colored patterned wide-leg trousers with realistic fabric texture, white leather sneakers, a small tan leather crossbody bag with authentic stitching and natural material sheen.

Sitting in the moped's front basket is a realistic, fluffy, plush creature companion in a soft mustard-yellow tone — small round soft body with dense fur rendered strand by strand, large round adorable eyes with realistic glossy catchlights, tiny rounded ears, a small content closed-mouth smile, paws resting on the edge of the basket as if peeking out curiously, believable plush weight and volume nestled comfortably inside.

Background: deep, rich terracotta-orange studio backdrop with a subtle moody gradient, seamlessly extending down into a light wooden floor for contrast, clean, attractive, and dramatic without being distracting.

Lighting: soft professional studio lighting with slightly more contrast to complement the darker backdrop, gentle directional highlights, natural shadow falloff, physically accurate light behavior across skin, fabric, moped metal and rubber, and plush fur.

Ultra-photorealistic skin texture with visible pores, natural tonal variation, no smoothing, no plastic or waxy look, identity fully unchanged. Realistic fabric fuzz on the sweater, natural leather texture on the bag and sneakers, authentic moped material with realistic metal and rubber texture, crisp fur detail on the creature. Ultra-detailed textures throughout, cinematic depth of field, rich true-to-life colors, highly polished professional photography finish, hyperrealistic, photorealistic, RAW photo quality, 8K ultra-high resolution, no CGI artifacts, no 3D animated rendering, no cartoon style, no illustration, looks like a genuinely captured professional editorial photograph."

Negative Prompt: "orange scooter, electric scooter, teal sweater, exaggerated open mouth, wide gaping mouth, shocked expression, diptych, split image, multiple panels, comparison grid, collage, 3D animated look, Pixar style, CGI render, cartoon rendering, toy-like plastic appearance, different face, altered facial features, different identity, blurry face, distorted face, bad anatomy, deformed hands, extra fingers, unrealistic fur texture, flat fur, plastic skin, wax skin, over-smoothed skin, light washed-out background, oversaturated, oversharpened, low resolution, fake AI look, watermark, text, logo, unnatural symmetry"
