

# “CHATGPT SWEET SKIES PROMPTS BY SAJAWAL CREATES”

## PROMPT NO: 01

### **First Title Prompt:**

Create an ultra-realistic outdoor photograph of a couple, photographed from a slight side-angle (3/4 view, camera positioned slightly off-center, dynamic fashion-editorial feel), full body visible head to toe. Keep the exact same faces and facial features of the boy and girl as in the reference image — do not change identity, do not alter face shape, skin tone, or features.

Bright blue sky background with soft clouds. Stylish matching cream/off-white outfits, fashion campaign aesthetic. Both wearing wide-leg, loose-fit linen trousers with a relaxed flowy drape, paired with matching cream tops. The girl's outfit must be complete and fully covered. Both wearing white sneakers. Attractive, confident fashion-model poses.

Add colorful doodle flowers, hand-sketched stars, sparkles, hearts, and playful sticker-style graphics around the couple. Add a yellow dashed hand-drawn outline surrounding both people. Add tiny chibi cartoon versions of the couple in the top-right corner, both waving happily with cheerful expressions.

No phone lockscreen elements — no clock, no date, no notifications, no battery icon, no signal bars, no Dynamic Island, no icons. Clean standalone photograph/wallpaper art.

Apple keynote quality lighting, luxury lifestyle photography, ultra-realistic skin texture, natural lighting, photorealistic, vibrant colors, premium aesthetic. Instagram 4:5 ratio. Ultra sharp. 8K masterpiece.

## PROMPT NO: 02

### **Side Angle, Twirl/Dance Pose**

Create an ultra-realistic outdoor photograph of a couple, photographed from a dynamic side-angle (3/4 view), full body visible mid-motion. Keep the exact same faces and facial

features of the boy and girl as in the reference image — do not change identity, do not alter face shape, skin tone, or features.

Bright blue sky background with soft clouds. Stylish matching cream/off-white outfits, fashion campaign aesthetic. Both wearing wide-leg, loose-fit linen trousers with a relaxed flowy drape, paired with matching cream tops. The girl's outfit must be complete and fully covered. Both wearing white sneakers.

Cute, joyful pose: the boy twirling the girl around, her dress/pants gently flowing with the motion, both laughing candidly, dynamic dance-like movement, carefree happy vibe.

Add colorful doodle flowers, hand-sketched stars, sparkles, hearts, and playful sticker-style graphics around the couple. Add a yellow dashed hand-drawn outline surrounding both people. Add tiny chibi cartoon versions of the couple at the bottom center, spinning together with motion swirls and sparkle trails.

No phone lockscreen elements — no clock, no date, no notifications, no battery icon, no signal bars, no Dynamic Island, no icons. Clean standalone photograph/wallpaper art.

Apple keynote quality lighting, luxury lifestyle photography, ultra-realistic skin texture, natural lighting, photorealistic, vibrant colors, premium aesthetic. Instagram 4:5 ratio. Ultra sharp. 8K masterpiece.

### **PROMPT NO: 03**

#### **Low Angle, Back-Hug Pose**

Create an ultra-realistic outdoor photograph of a couple, photographed from an extreme low-angle perspective (camera placed near the ground looking upward), full body visible. Keep the exact same faces and facial features of the boy and girl as in the reference image — do not change identity, do not alter face shape, skin tone, or features.

Bright blue sky background with soft clouds. Stylish matching cream/off-white outfits, fashion campaign aesthetic. Both wearing wide-leg, loose-fit linen trousers with a relaxed flowy drape, paired with matching cream tops. The girl's outfit must be complete and fully covered. Both wearing white sneakers.

Cute, cozy pose: the boy gently hugging the girl from behind, chin resting near her shoulder, both looking calmly ahead with soft content expressions, peaceful and affectionate mood.

Add colorful doodle flowers, hand-sketched stars, sparkles, hearts, and playful sticker-style graphics around the couple. Add a yellow dashed hand-drawn outline surrounding both people. Add tiny chibi cartoon versions of the couple at the bottom center, hugging with small hearts around them.

No phone lockscreen elements — no clock, no date, no notifications, no battery icon, no signal bars, no Dynamic Island, no icons. Clean standalone photograph/wallpaper art.

Apple keynote quality lighting, luxury lifestyle photography, ultra-realistic skin texture, natural lighting, photorealistic, vibrant colors, premium aesthetic. Instagram 4:5 ratio. Ultra sharp. 8K masterpiece.

#### **PROMPT NO: 04**

##### **High Angle (Bird's Eye Tilt), Side Hug Pose**

Create an ultra-realistic outdoor photograph of a couple, photographed from a slightly high tilted angle (camera positioned a little above eye-level looking down gently), full body visible. Keep the exact same faces and facial features of the boy and girl as in the reference image — do not change identity, do not alter face shape, skin tone, or features.

Bright blue sky background with soft clouds. Stylish matching cream/off-white outfits, fashion campaign aesthetic. Both wearing wide-leg, loose-fit linen trousers with a relaxed flowy drape, paired with matching cream tops. The girl's outfit must be complete and fully covered. Both wearing white sneakers.

Cute, gentle pose: the boy's arm wrapped around the girl's shoulder, girl leaning slightly into him, both looking calmly toward the camera, soft warm expressions, cozy natural closeness. Add colorful doodle flowers, hand-sketched stars, sparkles, hearts, and playful sticker-style graphics around the couple. Add a yellow dashed hand-drawn outline surrounding both people. Add tiny chibi cartoon versions of the couple in the top-right corner, standing side by side with small sparkles around them.

No phone lockscreen elements — no clock, no date, no notifications, no battery icon, no signal bars, no Dynamic Island, no icons. Clean standalone photograph/wallpaper art.

Apple keynote quality lighting, luxury lifestyle photography, ultra-realistic skin texture, natural lighting, photorealistic, vibrant colors, premium aesthetic. Instagram 4:5 ratio. Ultra sharp. 8K masterpiece.

#### **PROMPT NO: 05**

##### **Side Angle, Walking Hand-in-Hand Pose**

Create an ultra-realistic outdoor photograph of a couple, photographed from a dynamic side-angle (3/4 view), full body visible mid-step. Keep the exact same faces and facial features of the boy and girl as in the reference image — do not change identity, do not alter face shape, skin tone, or features.

Bright blue sky background with soft clouds. Stylish matching cream/off-white outfits, fashion campaign aesthetic. Both wearing wide-leg, loose-fit linen trousers with a relaxed flowy drape,

paired with matching cream tops. The girl's outfit must be complete and fully covered. Both wearing white sneakers.

Cute, natural pose: the couple walking together hand-in-hand, calm content expressions, gentle stride, relaxed easy chemistry, soft breeze feel in hair and clothing.

Add colorful doodle flowers, hand-sketched stars, sparkles, hearts, and playful sticker-style graphics around the couple. Add a yellow dashed hand-drawn outline surrounding both people. Add tiny chibi cartoon versions of the couple at the bottom center, walking together with small sparkle trails behind them.

No phone lockscreen elements — no clock, no date, no notifications, no battery icon, no signal bars, no Dynamic Island, no icons. Clean standalone photograph/wallpaper art.

Apple keynote quality lighting, luxury lifestyle photography, ultra-realistic skin texture, natural lighting, photorealistic, vibrant colors, premium aesthetic. Instagram 4:5 ratio. Ultra sharp. 8K masterpiece.
