

# “SAJAWAL CREATES PROMPT - 4”

The Master Template Prompt

## Old Money Editorial Portrait

These images follow a very specific luxury editorial formula that is going viral because they combine:

- Old Money aesthetics
  - Black-and-white fashion photography
  - European luxury architecture
  - Mafia / gentleman energy
  - Cinematic smoke effects
  - Ultra-attractive facial sculpting
  - Identity preservation
- 

## What Makes These Images Work

After analyzing all examples, every image uses the same framework:

### Subject

- Looking away from camera
  - Serious expression
  - Strong jawline emphasis
  - High cheekbone lighting
  - Masculine confidence
- 

### Outfit

Always:

Black turtleneck  
Black overcoat  
Black leather gloves  
Luxury watch

This creates the classic “old money billionaire” look.

---

## Environment

Usually:

- Paris streets
  - Luxury cafés
  - Historic European architecture
  - Stone buildings
  - Vintage street lamps
  - Luxury district atmosphere
- 

## Color Style

Monochrome  
Black and white  
Film noir  
High contrast  
Luxury editorial

---

## Camera Style

85mm lens  
Fashion magazine photography  
Shallow depth of field  
Natural daylight  
Soft cinematic shadows

---

## Best Workflow

### Tool

Nano Banana Pro

or

ChatGPT Image Generation

---

### Upload

1 clear selfie

Front facing works best.

---

## Identity Lock Prompt

Always use this first:

Preserve exact facial identity from the reference image.

Maintain facial structure, eyes, eyebrows, nose, lips, skin tone, facial proportions, hairstyle and age.

The final subject must remain perfectly recognizable as the uploaded person.

Ultra realistic photography.

---

## Master Prompt

Preserve exact facial identity from the reference image.

Create an ultra realistic old money fashion portrait.

The subject wears a black turtleneck, tailored black overcoat, black leather gloves and a luxury stainless steel watch.

Standing outside a luxury Parisian building.

Elegant European architecture.

Vintage street lamps.

Cinematic black and white photography.

Strong masculine facial features.

Sharp jawline.

Luxury magazine editorial style.

Natural depth of field.

Sophisticated billionaire aesthetic.

Film noir atmosphere.

High contrast monochrome tones.

85mm lens.

Ultra realistic skin texture.

Professional fashion photography.

Luxury campaign quality.

8k realism.

---

## Prompt 1 — Paris Street

Preserve exact facial identity from the reference image.

Standing on an elegant Paris street.

Black turtleneck.

Black overcoat.

Luxury watch.

Historic European architecture.

Looking away from camera.

Film noir black and white.

Luxury fashion editorial.

Ultra realistic.

---

## Prompt 2 — Luxury Café

Preserve exact facial identity from the reference image.

Seated outside an upscale Paris café.

Black turtleneck.

Tailored black overcoat.

Luxury watch.

Coffee cup on table.

Soft smoke drifting through the air.

Black and white luxury photography.

Sophisticated old money aesthetic.

Magazine cover quality.

---

## **Prompt 3 — Billionaire Walk**

Preserve exact facial identity from the reference image.

Walking through an exclusive European district.

Luxury architecture.

Black turtleneck.

Long black overcoat.

Confident posture.

Film noir lighting.

Monochrome photography.

High-end luxury campaign.

Professional editorial photography.

Ultra realistic.

---

## **Prompt 4 — Luxury Hotel Entrance**

Preserve exact facial identity from the reference image.

Standing outside a historic five-star hotel.

Elegant stone architecture.

Vintage lanterns.

Black turtleneck.

Tailored overcoat.

Luxury watch visible.

Looking to the side.

Black and white photography.

Old money billionaire style.

Fashion editorial realism.

---

## Prompt 5 — Paris Bridge Scene

Preserve exact facial identity from the reference image.

Standing on a Paris bridge overlooking historic architecture.

Black turtleneck.

Black overcoat.

Leather gloves.

Luxury watch.

Wind moving through hair.

Cinematic monochrome photography.

Film noir atmosphere.

Ultra realistic fashion campaign.

---

## Advanced Editorial Prompt

Add this to any prompt:

Shot on Leica M11, 85mm portrait lens, Kodak Tri-X film simulation, luxury fashion editorial photography, natural skin pores, subtle film grain, cinematic depth of field, magazine cover quality, high contrast black and white tones, luxury campaign realism.

---

## For Stronger Masculine Look

Add:

Defined jawline, structured cheekbones, confident posture, powerful masculine energy, luxury model appearance, sophisticated gentleman aesthetic.

---

## Negative Prompt

cartoon, anime, illustration, CGI, smiling excessively, low quality, blurry face, bad anatomy, distorted hands, extra fingers, oversaturated colors, unrealistic skin, AI artifacts, duplicate features, low resolution

---

## Why This Trend Goes Viral

It taps into three viral aesthetics at once:

1. **Old Money**
2. **Luxury Fashion Editorial**
3. **Mafia / Gentleman Energy**

The black-and-white treatment removes distractions and makes the subject look like a high-end magazine model, while the European architecture creates instant luxury and status.
