

“SAJAWAL CREATES PROMPT - 5”

Cinematic Social Media Frame Prompts

Professional prompt collection for Instagram, Facebook, LinkedIn, Threads and X.

FACEBOOK

Create a hyper-realistic cinematic studio portrait of a confident young person emerging through a giant floating Facebook-style post frame. The subject should be partially outside the frame, with one hand naturally resting over the bottom edge of the Facebook post, creating a realistic premium 3D interaction effect.

The Facebook post should be slightly tilted (6–8 degrees) for a dynamic premium composition.

Replace the following details with my information:

- Profile Picture: [UPLOAD YOUR PROFILE PHOTO OR LOGO]
- Profile Name: [YOUR PAGE NAME]
- Page Category: [Digital Creator / AI Creator / Graphic Designer]
- Followers: [FOLLOWER COUNT]
- Likes/Reactions: [REACTION COUNT]
- Comments: [COMMENT COUNT]
- Shares: [SHARE COUNT]

Post Caption:

[WRITE YOUR OWN SHORT CAPTION]

Subject Details:

- Gender: [Male/Female]
- Face: Attractive natural face

- Expression: Calm and confident
- Direct eye contact
- Outfit: Premium black luxury streetwear jacket with no visible brand logos

Background:

Premium dark blue Facebook-inspired gradient mixed with subtle cyan glow matching the uploaded profile logo. Clean cinematic studio environment.

Lighting:

Soft cinematic key light, cool blue rim light, volumetric lighting, premium commercial lighting, realistic shadows, glossy highlights, HDR.

Facebook Interface:

Generate an ORIGINAL Facebook-inspired interface (do not copy any real page exactly). Include:

- Modern Facebook profile header
- Profile picture
- Page name
- Category
- Follow button
- Like, Comment, Share icons
- Premium clean white interface
- Realistic shadows
- Floating card
- High-end UI design
- Authentic spacing and typography
- Subtle reflections
- Realistic card thickness

Composition:

Centered medium portrait.

One hand naturally extending outside the Facebook frame.

Subject breaking through the frame.

Floating Facebook post.

Premium perspective.

Studio photography.

Shallow depth of field.
