

“CHATGPT PLAYING FIRE PROMPTS BY SAJAWAL CREATES”

Main Prompt:

Ultra-realistic cinematic portrait of a confident, stylish woman wearing a perfectly tailored black suit with a crisp white shirt, elegant oval black sunglasses, calmly smoking a thin cigar. She holds a burning King of Hearts playing card between her fingers, its edges glowing with realistic orange flames while wisps of smoke curl naturally around her hand. Dramatic firelight illuminates her face with warm cinematic highlights and deep natural shadows across her jawline and cheekbones. Dark, moody noir atmosphere with a blurred black background filled with soft orange bokeh and subtle drifting smoke. Professional editorial fashion photography, ultra-detailed skin with visible pores, natural skin texture, realistic eyes, razor-sharp facial focus, soft rim lighting, HDR, high contrast, volumetric lighting, realistic reflections, physically accurate lighting, global illumination, realistic shadows, shallow depth of field, creamy bokeh, shot on a full-frame DSLR with a 35mm lens at f/1.8, RAW photo quality, 8K ultra-high resolution, hyperrealistic, photorealistic, cinematic color grading, subtle Kodak Portra film tones, subtle film grain, award-winning fashion portrait, masterpiece, magazine cover quality, luxury editorial aesthetic, no CGI, no illustration, no digital art.

Negative Prompt: cartoon, anime, illustration, CGI, 3D render, painting, plastic skin, wax skin, doll face, fake skin, low quality, low resolution, blurry, soft focus, overprocessed, oversaturated, oversharpened, bad anatomy, deformed hands, extra fingers, missing fingers, duplicate face, asymmetrical eyes, cross-eyed, unrealistic lighting, unrealistic smoke, unrealistic fire, watermark, logo, text, signature, border, frame, artifacts, jpeg compression, noise

1. Close-Up Side Profile

Same woman, identical face and features, consistent identity throughout — ultra-realistic cinematic close-up side-profile portrait of a confident, stylish woman wearing the same perfectly tailored black suit with a crisp white shirt, same elegant oval black sunglasses, exhaling a thin stream of cigar smoke into the air. She holds a burning King of Hearts playing card near her face, its edges glowing with realistic orange flames, smoke drifting upward past her cheek. Same dark noir atmosphere, same dramatic firelight illuminating the side of her face with warm cinematic highlights and deep shadows along her jawline. Same dark blurred black background

with soft orange bokeh, same overall color grading and mood. Professional editorial fashion photography, ultra-detailed skin texture, razor-sharp facial focus, soft rim lighting, HDR, volumetric lighting, shallow depth of field, shot on a full-frame DSLR 35mm lens f/1.8, RAW photo quality, 8K resolution, hyperrealistic, subtle film grain, magazine cover quality, no CGI, no illustration.

Negative Prompt:

"cartoon, anime, illustration, CGI, 3D render, painting, plastic skin, wax skin, doll face, fake skin, low quality, blurry, bad anatomy, deformed hands, extra fingers, missing fingers, duplicate face, inconsistent face, different woman, changed facial features, asymmetrical eyes, cross-eyed, unrealistic lighting, unrealistic smoke, unrealistic fire, watermark, logo, text, signature, border, frame, artifacts, jpeg compression, noise

2. Low-Angle Power Pose

Same woman, identical face and features, consistent identity throughout — ultra-realistic cinematic low-angle portrait of a confident, stylish woman in the same tailored black suit and crisp white shirt, same oval black sunglasses, standing tall and looking down slightly at the camera with a powerful, commanding presence. She holds a burning King of Hearts card raised beside her shoulder, flames flickering upward, thin cigar smoke curling from her other hand. Same dark noir atmosphere and same dramatic warm firelight glowing across her face from below, casting striking upward shadows. Same dark background with drifting smoke and soft orange bokeh, same color tone and mood as reference. Professional editorial fashion photography, hyper-detailed skin, sharp focus, volumetric lighting, HDR, physically accurate lighting, shallow depth of field, shot on full-frame DSLR 35mm lens f/1.8, RAW photo quality, 8K resolution, hyperrealistic, subtle Kodak Portra film tones, film grain, luxury editorial aesthetic, no CGI, no illustration.

Negative Prompt:

"cartoon, anime, illustration, CGI, 3D render, painting, plastic skin, wax skin, doll face, fake skin, low quality, blurry, bad anatomy, deformed hands, extra fingers, missing fingers, duplicate face, inconsistent face, different woman, changed facial features, asymmetrical eyes, cross-eyed, unrealistic lighting, unrealistic smoke, unrealistic fire, watermark, logo, text, signature, border, frame, artifacts, jpeg compression, noise

3. Over-the-Shoulder Glance

Same woman, identical face and features, consistent identity throughout — ultra-realistic cinematic over-the-shoulder portrait of a confident, stylish woman in the same tailored black suit and crisp white shirt, same oval black sunglasses, turning her head back toward the camera with a sharp, intense glance. She holds the burning King of Hearts card down by her side, flames and smoke curling upward behind her, cigar smoke faintly visible near her lips. Same dark noir atmosphere, same dramatic warm firelight glowing across the side of her face, deep shadows defining her cheekbone and jaw. Same dark background with soft orange bokeh and drifting smoke trails, same overall color grading and mood as reference. Professional editorial fashion photography, ultra-detailed skin, razor-sharp facial focus, soft rim lighting, HDR,

volumetric lighting, shallow depth of field, shot on full-frame DSLR 35mm lens f/1.8, RAW photo quality, 8K resolution, hyperrealistic, film grain, award-winning fashion portrait, no CGI, no illustration."

Negative Prompt:

"cartoon, anime, illustration, CGI, 3D render, painting, plastic skin, wax skin, doll face, fake skin, low quality, blurry, bad anatomy, deformed hands, extra fingers, missing fingers, duplicate face, inconsistent face, different woman, changed facial features, asymmetrical eyes, cross-eyed, unrealistic lighting, unrealistic smoke, unrealistic fire, watermark, logo, text, signature, border, frame, artifacts, jpeg compression, noise

4. Adjusting Sunglasses

Same woman, identical face and features, consistent identity throughout — ultra-realistic cinematic portrait of a confident, stylish woman in the same tailored black suit and crisp white shirt, one hand elegantly adjusting her oval black sunglasses, the other hand resting on her jacket lapel. Same dark noir atmosphere, same dramatic warm ambient glow illuminating her face with cinematic highlights and deep shadows across her jaw. Same dark blurred background with soft orange bokeh and faint drifting smoke. Professional editorial fashion photography, ultra-detailed skin texture, razor-sharp facial focus, soft rim lighting, HDR, volumetric lighting, shallow depth of field, shot on full-frame DSLR 35mm lens f/1.8, RAW photo quality, 8K resolution, hyperrealistic, subtle film grain, luxury editorial aesthetic, no CGI, no illustration.

Negative Prompt:

"cartoon, anime, illustration, CGI, 3D render, painting, plastic skin, wax skin, doll face, fake skin, low quality, blurry, bad anatomy, deformed hands, extra fingers, missing fingers, duplicate face, inconsistent face, different woman, changed facial features, asymmetrical eyes, cross-eyed, unrealistic lighting, unrealistic smoke, unrealistic fire, watermark, logo, text, signature, border, frame, artifacts, jpeg compression, noise

5. Holding a Lit Match / Lighter Close to Face

Same woman, identical face and features, consistent identity throughout — ultra-realistic cinematic portrait of a confident, stylish woman in the same tailored black suit and crisp white shirt, same oval black sunglasses, holding a small lit match close to her face, the tiny flame casting warm intimate light across her cheekbones and jawline. Same dark noir atmosphere, same dramatic low-key lighting with deep natural shadows. Same dark blurred background with soft orange bokeh and faint drifting smoke. Professional editorial fashion photography, ultra-detailed skin texture, razor-sharp facial focus, soft rim lighting, HDR, volumetric lighting, realistic flame glow, shallow depth of field, shot on full-frame DSLR 35mm lens f/1.8, RAW photo quality, 8K resolution, hyperrealistic, subtle film grain, luxury editorial aesthetic, no CGI, no illustration.

Negative Prompt:

"cartoon, anime, illustration, CGI, 3D render, painting, plastic skin, wax skin, doll face, fake skin, low quality, blurry, bad anatomy, deformed hands, extra fingers, missing fingers, duplicate face, inconsistent face, different woman, changed facial features, asymmetrical eyes, cross-eyed, unrealistic lighting, unrealistic smoke, unrealistic fire, watermark, logo, text, signature, border, frame, artifacts, jpeg compression, noise.
